

May 2024

Here's hoping MRYC is one of your happy places in life!

When I turn off Broadway and curve to the right, then downhill to the left and under the quaint little bridge, I see the river over top of the pool area, I am reminded to make sure I breathe in deeply and exhale any cares I brought with me. I want to intentionally keep MRYC one of my happy places, no matter how complex the issue is I'm working on or what the meeting is about or what employee needs to be met with. Imagine the impact if we all keep MRYC one of our happy places; speak no ill will; no negativity; reach out and spread joy!

Yes, I can be happy even tho' we are making tough decisions, even tho' we are in a turn-around year. We are making it happen! It's working because we are working together, doing the right things for the club. This is way too big a job for one! However, there are many who contribute hundreds of hours to MRYC doing all sorts of various (yet very important) tasks. Let's live in a spirit of appreciation! Thank you....seems so insufficient, yet genuine!

At Your Service as Vice Commodore,

Sally Perz

From our Rear Commodore and Dockmaster, Craig Stead:

Docs are all in! The electric is completely hooked up. We have to finish running water from the front of the pool to the end of skunk hollow. The harbor is open if you wish to bring your boat in. It will be sometime next week before we can finish up the water. The contractors cut an opening in front of the club which is the only way for the larger boats to get in and out The "pontooners", if they wish, they can go all the way up Delaware Creek and around.

Thank you for all the help getting the docks ready. I hope everybody has a safe boating season this summer.

Join Us!

APRIL was full of FUN events:

EASTER

Member Wendi Hendricks, owner of STARbound Models/Talent, put on a fabulous fashion show in the ballroom.

Table Decor thanks to Allison Perz!

Brunch!

PEEP those fruit kabobs from our very own kitchen crew!

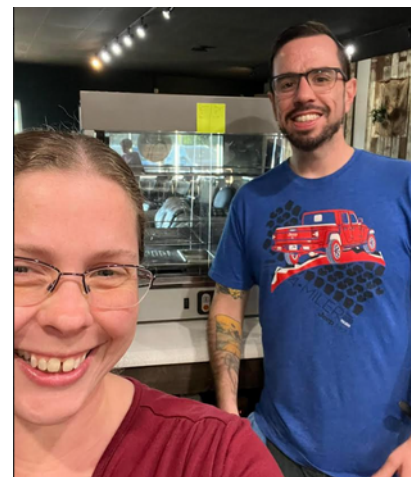

Bud Butler and family!

Sally and Joe Perz enjoying coffee at Copper Press Roastery

MRYC members David and Alison Schwartz, owners of Copper Press Roastery, opened in April of 2022 at 5905 Weckerly Road, in Whitehouse.

David recently shared: "I worked for Starbucks as district manager for approximately 12 years. That's where my passion for coffee started. I loved the fact that people would gather over a cup to get caught up with an old friend, go out on a date, or have a meeting - coffee brings people together. Our motto is quality, community and comfort: we prep all our own food and handcraft all of our syrups in house; the menu is largely inspired by craft cocktails - the Pecan Bourbon Latte is our most popular and our signature drink!"

They offer 9 different roasts; orders taken online at copperpresscoffee.com; free shipping, too. Copper Press Roastery is growing and will eventually be in different markets, Cheers to our MRYC members, David, Alison and family!

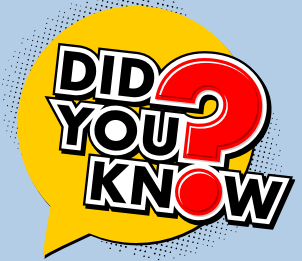

Share information on events at the club! Send ideas for newsletter articles and features! We want to hear from YOU!

As a member of MRYC, you are asked to invite interested potential members to the May 19th open house event. Taste the chef's offerings, tour the club, learn about membership options and more. Discounted initiation fees on this day. You can ensure it's a success by getting the word out. Let's grow our club!

Thanks to the Membership Committee for all the planning for this event and for being prepared to take applications of new members. Current members are welcome to meet and greet those you have invited! Thanks in advance.

FACTS, NOT RUMORS, PLEASE:

1. **Vice Commodore Briefings** are meant for open communication exchange. The last one for the season is **May 4th at 10a.m.** MDR level. These will resume in September.
2. **New menu** is mainly the work of our Chef with input from many members. Thanks for those who made suggestions.
3. **Tap room** will close once pool is open **HOWEVER**, if the pool has to close due to inclement weather, the tap room will then open.
4. Reminder: **monthly minimum increases** to \$100 starting this month-May. It was voted in by the membership months ago, but delayed until May.
5. **Thursday Burger Nights** hosted by membership committee will start June 6, 2024, 5pm weekly. Come, bring family and friends! No other food service available that night.
6. There is no plan to **increase dues or fees**. We need to increase club membership and use our club – isn't that better than raising dues and fees? Please do your part!
7. **May 19th Open House** for perspective new members. If each current member would get one potential member to attend 5.19 we will increase our membership for sure. Please do your part. You don't have to be there. Send perspective member(s) and let me know the name(s) of those you are sending. They will be well taken care of.
8. **MRYC Bylaws** are in big need of overhauling. That work started last year and continues. Get involved and come to the meetings in which rationale for changes will be given and thoroughly discussed. Your feedback is important. There is no intent to ram anything through. It's a thoughtful process and many of the changes have been discussed with many of our members already. It's a new day and change is needed! Sorry this may need to happen during the summer months.....

MAY 2024

Schedule may change due to circumstances beyond our control.
 MDR reservations really help in planning for staff and food.
 MDR and/or tap room may close early if no business.
 Make a reservation and support your club!
